## Recommendations

- Use on substrates grammage greater than 115 gsm. The use on lower grammages may cause distortion or curling.
- Shake well before use.
- Do not mix with other varnishes.
- **Storage:** Store at a temperature between 5 - 30°C and avoid direct exposure to light and heat. A conditioned and clean working environment facilitates the proper functioning of all components during printing. **WATER BASED MATT COATING** has a shelf life of 12 months after manufacture. Once opened, use as soon as possible.
