C000001359-0103	UV LED CURETECH PROCESS MAGENTA	5	+	+	-
C000001360-0103	UV LED CURETECH PROCESS CYAN	8	+	+	+
C000001361-0103	UV LED CURETECH PROCESS BLACK	8	+	+	+

Regulatory

- This range accomplishes with EuPIA exclusion list for printing inks and related products, as well as with the heavy metals' limits laid down in the Directive 94/62/EC
- Formulated in accordance with REACH Regulation and Swiss Ordinance

Recommendations

- Pre-testing is always recommended.
- Avoid exposure to direct light and heat. It is recommended to use UV filters on windows and fluorescent lights in the printing room to avoid unwanted ink curing in cans and ink ducts.
- **Storage:** Store at a temperature between 15 – 20°C, preferably in a dark room. A conditioned and clean working environment facilitates the good performance of all components during printing.
- **Shelf life:** 12 months from its date of manufacture.

The aim of our technical documents is to inform and advise our customers. The information provided herein is correct to the best of Martínez Ayala's knowledge and belief. No liability for any errors, facts or opinions will be accepted. Customers must verify and test by themselves the suitability of this product for their application. No liability for any loss as a result of any person placing reliance on any material contained herein will be accepted.
